

Your Southern California installation partner

For furniture dealers and project managers nationwide, with local service for businesses and facilities teams.

Local receiving, delivery, and installation in Orange County, Los Angeles County, and the Inland Empire (Riverside and San Bernardino counties), coordinated from our 20,000 sq ft Buena Park warehouse.

RECEIVING THROUGH INSTALLATION

- Freight receiving, inspection, and damage reporting
- Inside delivery and furniture installation
- Warehousing and staging by project phase
- Reconfiguration, relocation, and removal

TECHNOLOGY BUILT BY VECTOR

Vector's in-house project platform connects estimates, scheduling, receiving records, job status, photos, punch lists, and digital sign-off.

Estimates & scheduling | Receiving & project status | Photos, punch lists & sign-off

Updates, documentation, and any account access are agreed with your Vector project contact.
